DISCOVER HELIX

Helix Audio is high-performance European design where function closely follows form. Like a German sports car, each handcrafted design is precision-built using the latest technology and materials.

Helix performance is achieved through truly integrated system principles. This approach looks at how each audio component works together; amplifier, loudspeaker and subwoofer. From the value packed MATCH line to the battle ready COMPETITION line, each component is seamlessly matched to provide the highest level of audio fidelity!

"COMPETITION" SERIES

Competition Amplifier Features:

- 1% Grade Components
- 24-Karat Gold Plated Connectors
- 32 Power Transistors
- 8V Signal Input
- ADC (Anti-Distortion Choke)
- Bass Boost Control
- CPS (Colour Protection System)
- Double Printed Plexiglass
- Double Sided Copper Plated PC Boards
- Intelligent Frequency Control
- Intelligent Switching Power Supply
- Mono/Stereo Capable
- NFI (Noise Free Input)
- RMI (Real Mixed Input)
- Seperate Speaker Circuit Protection
- SMD (Surface Mount Devices)
- Temperature Optimized Heatsink

P235p	5.25” components w/ 1” Silk dome tweeter, 70w max	$254.00
P236p	6.5” components w/ 1” Silk dome tweeter, 80w max	$254.00

ESPRIT Series SPEAKERS:

Utilizing a fibre-plastic compound with a woven structure delivers the necessary stability for the diaphragms to provide immunity to resonances. The mechanical properties of the material make it ideal for loudspeakers due to the combination of low weight with high failure strain. The result in the Esprit Full-range line is Powerful, unadulterated sound quality at the highest level.

Clearshield Paint Protection Film

With Clearshield paint protection film, the most vulnerable areas of a vehicle have an extra measure of protection. Clearshield is the latest, most advanced development in paint protection. Nearly undetectable, protective urethane film is designed to resist impact from everyday damaging road hazards such as gravel, debris, stones, road salt and even insects. Clearshield is ComputerCut to vehicle's make and model so it fits like a glove on chip-prone surfaces, such as the hood, mirrors and bumpers, requiring no drilled holes or special fasteners like other protection products. Clearshield is backed by a strong, 5-year warranty and requires no special maintenance simply clean the vehicle the same way you always have.

Say goodbye to unsightly bras and bug shields! Clearshield is the clear choice for paint protection!

All Clearshields are custom computer cut by vehicle for a precision fit, finish and ease of installation.
